Welcome to Term 2, another busy term of learning.

Our History this term is ‘Community and Remembrance. The writing focus being taught explicitly this term is ‘Persuasive Texts,’ Narratives and Descriptions. Maths will be taught according to the ‘North Coast Scope and Sequence’. Maths lessons will be based on the ‘New Maths Syllabus’

**Timetable for the various activities weekly:**

<table>
<thead>
<tr>
<th>Monday</th>
<th>Tuesday</th>
<th>Wednesday</th>
<th>Thursday</th>
<th>Friday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Technology</td>
<td>Reading Groups</td>
<td>Reading Groups Assembly (fortnightly) Library</td>
<td>Reading Groups</td>
<td>Sport Athletics</td>
</tr>
</tbody>
</table>

**Homework:**

Every Monday your child will be given homework to be completed and returned to school on a daily basis. I hope our homework routine will be an opportunity for you to enjoy, encourage and support your child in their endeavours. On Friday at recess time I’m running a homework club for any child that needs assistance. Please ensure your child brings their homework in each day.

**Reading:**

Your child is expected to read for at least 20 minutes nightly and record this into their reading log. This log needs to be returned with their homework. Reading in the classroom occurs daily.

**Mathematics:**

This year across the school K-6 numeracy policy, all number operations will be covered as well as measurement strands and other key areas. Maths concepts are addressed on a daily basis after recess. I am running maths groups 4 days per week and rotating between each group.

**Topic Talks:**

I have introduced topic talks this term based on their science topic, ‘Earth and Space.’

**Class Expectations:**

- Respect themselves and others
- Work to the appropriate noise level
- Assist others
- Turn taking in discussions
- Respectful language
- Active Listening
- Non – Bullying zone

Thank you for your continued support

Patricia Wakeham
