10th February 2014

Dear Parents,

I hope this year is a very happy and educational one for you and your child. Kindergarten is a very busy year and there are many notes sent home to parents. If you wish to know what is going on please read these notes and also the School Newsletter. They will also be available on the school website at www.wollongwst-p.schools.nsw.edu.au

This note is just a short one to let you know a few things.

**Library for KR will be on a Monday.** Your child needs to bring their library bag to school on Monday so he/she can borrow a book. This library bag and book must come to school every Monday for library.

Please make sure that all belongings coming to school are clearly labelled with your child’s first and last name. Check the name regularly as they often wear off and fade which makes it difficult to read.

At the moment there are only a couple of things I would like brought to school if you haven’t done so already. They are a box of tissues, paint shirt, 2 large glue sticks (not the liquid sort) and a small pencil case with textas. A large old t-shirt from mum or dad makes a great paint shirt as it fits easily and does not have buttons which need to be done up. Please label the shirt clearly. Please only send a small pencil case and not one of the extra large ones. Coloured pencils and lead pencils are provided at school but we sometimes like to use textas so it is good for the children to have their own to use.

**This Thursday, 13th February, I will be having a parent meeting at 3.15pm in the KR classroom.** This is an informal meeting where I will explain and discuss class routines, student expectations and the things that will be happening in KR this year.

If you need to bring your child along to this meeting please make sure they have something quiet to do during this time. The children cannot be playing around the school unsupervised.

I look forward to seeing you at this meeting, however, if you are unable to attend I will send home the information with your child the following day.

Please feel free to talk to me at any time about any concerns or queries you may have. You may visit the classroom at any time to see your child’s work.

I am looking forward to a great year and hope you enjoy your child’s first year at school as much as they will.

Hope to see you this Thursday,

Nadine Risi
KR teacher
