Musica Viva in Schools
*Earth, Wind and Sea performed by Zeeko*

Dear Parents and Carers,

The second and final Musica Viva performance for this year is fast approaching. This program began in 1981 to ‘introduce Australia’s youth to the wonders of live music.

Our students have been engaged in a range of lessons designed to teach them about the instruments, singers, music, storytelling and movement that create a truly rich and powerful performance. This program meets many of the Creative Arts learning outcomes through explicit teaching of music, dance, and drama concepts and skills. Students have also had the opportunity to simply enjoy and express their appreciation of the music performed by Zeeko.

Performance: *Earth, Wind and Sea* by Zeeko
Cost: $5
When: Thursday 4th, September, 2014 at 9:30am

*Please return the permission slip and $5 by Friday 29th August, 2014 (the end of week 7).*

This will be a wonderful performance and we hope all students can attend.

Kind regards,
Mrs. Liplyn
Performance Coordinator
