Parent Helper Agreement

As a Parent Classroom Helper at Wollongong West Public School, I agree to:

- Maintain the confidentiality of the students I support by not discussing their performance with anyone other than their teacher.
- Maintain the continuity of the classroom programs by attending sessions on the days and times agreed to with the class teacher and to notify the teacher ahead of time (wherever possible) if I am unable to attend.
- Work with students the class teacher assigns to me.
- Remain positive in all interaction with the students I am supporting.
- Report any instances of inappropriate student behaviour to the teacher.
- Ask for support from the class teacher or the Principal if I am unsure of any aspect of my role.
- Ensure I never put myself in a situation where I am isolated with only one student.
- Always seek the teacher’s permission before leaving the teacher’s presence with a group of students.
